	Hand 1	Hand 2	Hand 3	Hand 4	Hand 1	Hand 2	Hand 3	Hand 4	Hand 1	Hand 2	Hand 3	Hand 4
Distance 1 a mile												
Safeties 100 each												
All four safeties 300												
Coups fourrés 300 each												
Trip completed 400												
Delayed action 300												
Safe trip 300 · no 200s												
Shut-out 500												
Extension 200												
Previous hands Last hand's total												
Total												

- Every side scores its miles, 100 for each safety, 300 more for all four, and 300 more for each coup fourré.
- Only the side that completed the trip scores: trip 400, delayed action 300, safe trip (no 200s) 300, shut-out 500, extension 200.
- Previous hands: copy in the total from the hand before, so the bottom line is the running total. The first side to 5,000 wins.
